FUN & EASY SOCIAL-EMOTIONAL ACTIVITIES

Try these activities with your 2-year-old—a great way to have fun together and support your child's social-emotional development.

Play Parade or Follow the Leader with your toddler. Your child will love to copy you—and be the leader!

Try to have **set routines** during the day, and let your child know what will be happening next. Say, "Remember, after we brush your hair, we get dressed."

Have a special **reading time** every day with your toddler. Snuggle up and get close. Before bedtime or naptime is a great time to read together.

Give your toddler choices, but keep them simple. Let her choose a red or a blue shirt while dressing. Let her choose milk or juice at lunch.

Encourage your child to pretend play. Put a few small chairs in a row to make a "bus." Cut up some paper "money" to pay the driver. Ask, "Where will we go today?"

Teach your child simple songs and finger plays, such as "The Itsy-Bitsy Spider."

Your toddler is learning all about emotions. Help him label his feelings when he is mad, sad, happy, or silly. Say, "You are really happy" or "You seem really mad."

Get down on the floor and play with your child. Try to follow your child's lead by playing with toys he chooses and trying his ideas.
